

Host: St. Nazianz

The 7/23/2025 meeting of the Manitowoc County EMS Association was called to order at 1908 by the president. The meeting is held in person and virtually. The educational portion of the meeting was held first with a presentation by Bill Manis Mtwc. County Emergency Government representative speaking on the newly updated Manitowoc County MCI plan. One hour of education and the meeting proper began at 2004. This educational presentation will go onto our website and people are encouraged to read it as it is our plan. Some nice updates include a short, simpler format, NIMS compliant, and discussion on salt vs start and EM Track.

The meeting was then called to order and roll call was taken. A quorum was present.

Secretary's Report: The Secretary's report was presented as printed. A motion was made by Collins and seconded by Mishicot to approve the minutes.

Treasurer's Report: Ending Balances: Checking: \$2431.23. Savings: \$6050.36. A motion was made to accept the report as presented by Kellnersville and seconded by Two Rivers. Motion was carried. Note: all 2025 dues are in except for Branch.
